Federal Income Tax Withholding Notice

Federal law requires this notice be sent to you each year. You may elect, at any time, to have no Federal Income Tax withheld or revise the amount of Federal Income Tax you are having withheld from your retirement benefit. You may be responsible for payment of estimated tax if you do not have enough Federal Income Tax withheld. This means you may incur penalties under the estimated tax rules if your withholding and estimated tax payments are not sufficient.

If you would like to change your withholding and have internet access, you can download a W-4P from our website at www.aetf.com or the IRS website at www.irs.gov. If you do not have internet access, please contact the Administrative Office at the telephone numbers listed above or mark the box below, and we will send you a new W-4P to complete. Your new withholding will be effective upon receipt of the W-4P in our office, and will remain in effect until revoked. Please send me a new W-4P for Federal Income Tax Withholding.
