Post-Retirement Service Rules, Generally

The Plan's Post-Retirement Service rules are set forth in Section 7.6 of the Plan document. The Plan generally provides for suspension of a retiree's monthly benefit payment for any calendar month in which a retiree engages in more than 40 hours of "Post-Retirement Service."

Post-Retirement service is employment:

1. In the State of Alaska; **and**
2. In a job classification, the core skills and the responsibilities of which are the same or similar to those of employment in which the Participant was engaged while earning a benefit under the Plan; **and**
3. In the industry in which the contributing employers participate.

However, a retiree who has been retired for six (6) months or more, may work (under the Plan's **permanent exceptions**) for up to six (6) calendar months in either or a combination of the following positions without suspension of monthly benefit payments:

- As an estimator for a contributing employer (provided the classification isn't included under a bargaining agreement), or
- As an instructor for the Alaska Joint Electrical Apprenticeship and Training Trust ("AJEATT").
